Do you want a data file (floppy disk/CD) or printed list? Data File Printed List

Circle your choice of jurisdiction: Statewide Legislative District County

If you choose Legislative District or County, name the district or county: \_\_\_\_\_

The price of the data is determined by what jurisdiction is being requested – State, Legislative District or County. Within one of these jurisdictions, the file or list would include all data (registration and voter history) for that jurisdiction unless you choose to limit the data received based on party, voting history, registration status, etc.

Do you want all data for your jurisdiction or limited data? All Data Limited Data

If you choose “Limited Data” what fields do you want filtered and what limits do you want? An example would be: “Political Party – Republican” if you only want the registered Republicans in the jurisdiction.
